

RADISHES WITH BREAD & BUTTER

Adapted from eatingfromthegroundup.com

INGREDIENTS

fresh radishes
whole wheat bread
butter
salt
chives or parsley

METHOD

Trim the leaves, stems and any remaining root tendrils from the radishes. Cut the radishes into very thin slices.

Spread butter on slices of bread—use enough to help your radish slices stick. Cover the top of the bread with thinly sliced radishes and sprinkle with salt.

If you have fresh, green herbs, such as chives, parsley, or almost anything else, sprinkle on top.
