on how you can help!

SHARE THE BOUNTY OF OUR REGION WITH YOUR NEIGHBORS THIS HOLIDAY SEASON.

HERE ARE THREE WAYS TO HELP

- 1. GIVE** a tax-deductible monetary donation at the orange Market Info tent. We will purchase food from our farmers and producers and donate it to our gleaning partners. This puts food on the tables of our neighbors and dollars in the pockets of our farmers!
- 2. DONATE** online at bit.ly/freshfooddrive or text “FFM” to 41444 for a link.
- 3. BUY** fresh food at market and drop it off at the orange Market Info tent on the day of the drive.

FRESHFARM is a non-profit that promotes sustainable agriculture and improves food access and equity in the Mid-Atlantic Region. Our Food Access program is driven by two projects: Matching Dollars and Gleaning. Together, these endeavors help our neighbors put more fresh food on the table and help our farmers cultivate successful businesses. CFC #99308
