

# WINTER SALSA

## INGREDIENTS

2 – 3 cups whole or diced tomatoes (from a can or box)

1 jalapeño peppers (minced, seeds removed if you don't want it very spicy)

½ medium red onion, diced small

1 medium clove of garlic, minced

¼ cup chopped fresh cilantro leaves

¼ cup lime juice from 2 medium limes

salt to taste

## METHOD

Finely chop tomatoes, jalapenos, onions garlic, and cilantro leaves. (You can also use a food processor to do this – pulse a few times until ingredients are uniformly chopped together.)

Mix all ingredients in a bowl adding lime juice and salt to taste.

It will taste even better if you let it sit for an hour so the flavors blend.
